1. COVID-19 Protocols

Westbrook Performing Arts Center is now mask-optional with encouraged social distancing, and we expect it will still be that way for recital on May 22nd. MDC will also be mask-optional once we return from April break (April 25th). We ask that between now and recital, please stay home if you are at all sick and mask-up if you do need to come in. If a student is in class with a repeated cough after April 25th, we will ask them to put on a mask.

We are still a private business and reserve the right to change this policy at any time, but feel that we've held out as long as possible. We thank you all for your support through such a crazy time. We made it through the pandemic and kept our students dancing thanks to all of you and our amazing staff. Thank you!!!

3. RECITAL TICKETS

Recital tickets can be purchased at the front desk. Ticket sales will open at 9:00 am on Saturday, April 23rd. Account balances must be at \$0 in order to purchase tickets (not counting summer tuition).

Seating will be assigned when you purchase your tickets - tickets are sold on a first come, first served basis.

Tickets are \$22/each - cash/check only ... (we know this is an increase from years past... We have not had a normal recital in 2 years and appreciate your understanding as we try to recover from that huge loss of annual income). Cash-only will keep us from losing processing fees. Thank you!

Students wishing to see the performance from the audience must also purchase a ticket. Your dancer may sit in the audience with you after they perform, or well before they perform if they are placed later in the show's line-up (dancer should be backstage 7 numbers before theirs). There is no limit to the number of tickets any one family may purchase. Recital tickets are non-refundable/exchangeable once purchased.

****REMINDER: IF YOUR DANCER IS GOING TO BE SITTING IN THE AUDIENCE AT ANY TIME, YOU WILL NEED TO PURCHASE A TICKET FOR THEM AND CHANGE THEM INTO STREET CLOTHES. NON WALKING CHILDREN (LAP CHILD) MAY SIT IN A PARENT'S LAP IF NEEDED. THIS IS A FIRE CODE SAFETY RULE****

A majority of our parents with preschool and elementary age dancers do purchase a ticket for their child to sit with them when not performing. Students may also elect to wait backstage with chaperones in the dressing rooms for the entire length of the show. For our youngest dancers, if they are waiting backstage, please pack coloring books or small games to keep your dancer busy over the 2+ hour length of the show (no markers please). You may also want to pack a towel or blanket to sit on.

Dancers sitting in the audience cannot be wearing their costume. Please bring nice street clothes and change your dancer prior to or after their performance.

4. MEDIA FEE

This is something we found our customers really enjoyed in years past. ***There will be a \$30 media fee per family on your Dance Studio Pro account that will cover a digital copy of the recital video that is yours to keep forever*** (you can find this information also in our Student Handbook). All families need to pay the media fee in order to participate in the recital to keep things fair. Because this is a digital copy of the recital video, it would be very easy for people to share the link and steal the video. This media fee prevents theft and protects the videographer's work.

5. DRESS REHEARSAL INFO

Check-in at the Check-in Desk upon arrival

Very Important: All dancers must see the "Check In Desk" upon arriving. The check-in attendant will be stationed outside the gym. Please be sure your account has a \$0 balance as accounts must be paid in full prior to participating. This is strictly enforced.

One parent/guardian is allowed to accompany their student at the dress rehearsal. Video taping is allowed at the dress rehearsal but is not allowed during the actual recital.

STUDENTS LEVEL C, D, E and Teen/Adult classes WILL NOT BE PUTTING ON COSTUMES FOR DRESS REHEARSAL DUE TO TIME CONSTRAINTS (including Musical Theater $\frac{2}{3}$). Please arrive just in warmups.

Numbers are scheduled in 15 minute increments, 2 pieces per 15 minutes (with a couple exceptions).

6. FLOWER SALES

It is customary for dancers to receive flowers from family members/friends after a performance. Single roses and mixed bouquets will be available for pre-order. Order forms and payment need to be submitted no later than Monday, May 2nd. Orders can be placed at:

9. THEATER ETIQUETTE

An important part of every dancer's education is a lifelong respect and appreciation for the theater. We work hard to educate our students and dance families on how to behave in a professional theater setting. If adults practice this, so will the students. Please note some general theater etiquette principles:

- Please only move in and out of the theater during applause *between* numbers.
- Theater etiquette is different from an outdoor sporting event. Enthusiastic applause is encouraged, but yelling names and other calls to the stage during rehearsal or performance is inappropriate.
- Please silence all devices upon entering the theater (don't forget smartwatches) and turn the brightness on your device all the way down if you are checking the digital program.
- It is viewed as inconsiderate of the dancers and their families to leave a performance prior to its finish (i.e. leaving after your little dancer has performed and not staying to the end of the show). It is a part of the little dancers' education to see the "big kids" perform and leaving a show early robs them of that experience.

We take pride in teaching our dancers respect for their performance facility and as a studio, we like to leave our backstage areas clean! Please be sure your dancer leaves their dressing room space trash and debris free. Even our youngest dancers should begin taking responsibility for good backstage theater etiquette.

WESTBROOK PERFORMING ARTS CENTER BEVERAGE/FOOD POLICIES: Food and beverages (with the exception of bottled water) are not allowed in the theater seating area.

10. COSTUMES/ACCESSORIES/SHOES - PLEASE SEE THE DETAILED CHART

When you receive your costume, you may need to make slight alterations to make sure that your child's costume fits properly and that all parts are secure. The costume companies send us a costume that is closest to your child's measurements, but few are exact fits. Alterations are at the responsibility of the parent/dancer. We recommend hanging costumes in the bathroom during a hot shower for natural steaming to reduce wrinkles. PLEASE RESPECT AND CARE FOR YOUR COSTUME. After being received, costumes should be hung and never balled up or thrown around. Costumes SHOULD NOT be worn at home or outside of dance. They could be damaged and we cannot get you a new one in time due to stocking and shipping delays.

Tights: All students are required to purchase new tights for the recital. Charges will be added to students' accounts. They will be handed out prior to picture day.

Undergarments: Do NOT wear undergarments with your tights - it shows through.

Shoes (purchased through the studio):

Creative Movement - pink leather or canvas ballet shoes, boys: black ballet shoes

Jazz: tan jazz shoes

Tap: black tap shoes

Ballet: pink leather or canvas ballet shoes, boys: black ballet shoes

Hip Hop: black sneakers (purchased at front desk - E's should decide w/ Ms. Brittany)

Lyrical: lyrical half shoe or barefeet (decided by teacher)

All shoes are available for purchase at the front desk. Please allow 1-2 weeks for delivery.

11. HAIR/MAKEUP (please see detailed chart)

- Makeup tutorials are available at www.mainedancecenter.com/recital
- Please remove colored nail polish
- Unless specified by the choreographer, no jewelry aside from performance earrings that can be purchased through the studio
- Please see detailed chart for hair information and visit: www.mainedancecenter.com/recital for bun tutorials (your teachers are also happy to help teach you how to do the hair!)

12. PICTURE DAY (FINEPRINTS PHOTOGRAPHY)

May 13th and 14th at Maine Dance Center

This is an opportunity to have professional photos of your dancer in costume. There is no obligation to purchase pictures, however, we ask that you attend the photo session so both the studio and other dancers can have a memory and picture of the entire class. Please consult the detailed chart included at the end of this packet to see when your dancer's picture time is scheduled. Picture day is held at our studio and photo order forms will be available at the studio on the day-of.

- Please arrive at picture day dressed with hair and makeup already done (according to the chart at the [end](#) of this packet)
- Parents should stay in the lobby during their student's photo so the dancer, teacher, and photographer can communicate more effectively

13. ARRIVAL AND DISMISSAL PROCEDURES FOR RECITAL DAY

ARRIVAL CHECK-IN: Please arrive no less than 30 minutes prior to show time. One parent/chaperone should escort their dancer backstage to find their class. We will have chaperones for the backstage area wearing lanyards and they can help answer questions you may have.

Please arrive with your dancer's hair and makeup done. Dancers may come dressed in their first costume according to the program (program will be emailed out the week of the show). If your dancer is in multiple numbers, please have all other costumes on hangers in the order of the performance. Seating begins 30 minutes before showtime.

Students wishing to sit in the audience to watch must have a purchased ticket and be in street clothing. They should return backstage at least 7 numbers before they perform.

Only one parent/chaperone per student is allowed into the backstage dressing rooms. We will have a designated room for male performers.

GREETING DANCERS AND PRESENTING FLOWERS AFTER THE SHOW: If family and guests wish to greet a performer after the show or present flowers, they can do so in the theater's main lobby area after the dancer has been picked up backstage by their parent/chaperone.

14. BACKSTAGE DRESSING ROOMS AND COSTUME CHANGES

Visitors are not allowed backstage or in the dressing rooms during rehearsals or performances. The same applies during intermission and after the show. There is a lot of backstage activity, limited space, and dressing rooms are a private area. Visitors can invade dancers' privacy while changing. Thank you for your understanding.

Parents are responsible for their child's costume changes if they are in multiple numbers, and they should assist them backstage before their next number. Parents should then escort their child to wait with their next class. Please do not take any photos in the dressing room.

15. IN-BETWEEN SHOWS (if applicable)

If your dancer is appearing in more than one performance, the dancer and one parent/chaperone may elect to stay backstage in the dressing rooms in between shows, or the dancer and parent/chaperone may leave and return 30 minutes before the next show.

16. RECITAL VOLUNTEERS AND BACKSTAGE MOMS/DADS

Please sign up to be a volunteer using your [Dance Studio Pro account](#). We need help with ushering, concessions, and backstage chaperoning. We will assign roles and email out detailed responsibilities prior to recital.

17. FINAL TUITION PAYMENTS FOR THE SEASON

IN ORDER TO PARTICIPATE IN THE RECITAL, DANCERS MUST HAVE A \$0 BALANCE ON THEIR ACCOUNT INCLUDING ANY MISCELLANEOUS CHARGES (BUT EXCLUDING SUMMER TUITION). If you budget your tuition payments into 9 tuition payments per season, your 9th installment is due May 1st. If you have a question about your account, please email mainedancecenter@gmail.com.
